- D. Daily vendors who **fail to provide required notice of cancellation** must pay the vendor fee for the market missed before returning.

- E. **No call/no shows” are NEVER permitted.** Vacant spaces compromise the appearance of the market and pose a safety risk to shoppers when cars drive through them. Missing vendors also frustrate shoppers looking for products advertised in weekly promotions. “No call/no show” vendors are subject to suspension from the market.

VIII. MARKET DAY LOGISTICS

- A. Booth fees cover a **10’x10’ space**. Additional space can be added for the daily rate as needed during the season.
- B. **Vendors provide** their own **canopies, tables, chairs, weights, and signage**.
- C. Vendors may **arrive as early as 1pm to set up**. They must be onsite and **checked-in by 2pm**.
- D. Vendor placement is prioritized based on seniority (years with the market), attendance (full-time vs part-time), payment status (prepaid vs daily), and electrical needs.
- E. We make every effort to maintain a consistent vendor placement for our full-time vendors, but there are weeks when placement may change.
- F. It’s possible (in rare cases) that not all vendors will be able to park adjacent to their booths. Those who cannot may drive to their booth space to unload, then move their car.
- G. **Vehicles are not permitted** in the market center **after 2pm**.
- H. Booths must be set up and vendors **ready to sell by 2:45pm**.
- I. Pre-sales (before 3pm) are permitted if customers arrive early, however the EBT “bank” is not guaranteed to open until 3pm.
- J. **Vendors are responsible for their own credit card, WIC, and SMF transactions** (see Section XII). There is no wifi in the parking lot, so please be prepared to use data or set up a hot spot.
- K. Vendors must **stay until the market closes** unless permission has been granted in advance by the Market Manager.
- L. **Vendors must bring weights to securely anchor their canopies** at all times.
- M. Vendors who rent (canopy, table, chairs) or borrow any items from the Market must return those items before leaving.
- N. Vendors requesting electrical access **must provide extension cords (100ft) and power strips**. Electrical hook-ups are limited, and vendor placement may change to accommodate access.
- O. Vendors are required to **display signage** identifying the **name and contact information** for their farm or business and all **methods of payment accepted, including SNAP benefits**.
- P. Signage, displays, products, and equipment must be contained within the booth space reserved and not restrict access to or visibility of another vendor.
- Q. Vendors may not share or sublet booth space without prior consent from the Market Manager.

IX. PRODUCTS/LABELING

- A. Vendors are expected to know and comply with all applicable city, state, and federal health and safety requirements related to the products they sell.
- B. Only Michigan-grown agricultural, value-added, handmade, and homemade products may be sold at the market.
- C. The Market strives to maintain a **60/40 ratio of SNAP eligible vendors to non-food vendors**. Vendors selling hot foods intended for on-site consumption are not included in this equation.
- D. It is essential that the Market maintains a **healthy balance of products to satisfy customer interest and demand**. When products are not available locally, vendors may be allowed to sell produce or value-

added products GROWN OR PRODUCED by OTHERS in MICHIGAN. This practice is known as **“brokering.”** This Market defines brokering as **“the sale of products bought or traded directly from another farmer or producer.”**

- E. Approval of brokered items is granted at the sole discretion of the Market Manager based on the following considerations:
 - 1. **Resale** of produce and other items purchased from commercial retail establishments or wholesale distributors is **strictly prohibited**.
 - 2. **Brokered items may not duplicate locally grown or produced items already offered** at the market. Rare exceptions may be granted to meet shopper demand.
 - 3. **Vendors must disclose all anticipated brokered items on their application**, including the name and address of their source. If a change in products or their origin occurs mid-season, vendors must submit a written amendment to their application and receive approval from the Market Manager before selling.
 - 4. Vendors of brokered items must **display signage clearly identifying brokered items**, the name of the Michigan farm or business that produced them, and the city where they were grown or made.
 - 5. Vendors of brokered items must be familiar with the conditions under which foods were grown and items were made.
- F. **Prices of all items must be clearly displayed**. Individual unit pricing is not required if signage clearly lists prices for all items available.
- G. Vendors with **organic certification must clearly label which products, if any, are not organic**.
- H. Food products must be clean, wholesome, free from spoilage, properly identified, and safe for human consumption.
- I. All arts and crafts must be an **individual’s own creative effort** and be sold by the artist or representative thereof.
- J. Vendors without an online presence (website, Facebook, etc.) must email photos of items to be sold for review during the application process. This does not apply to returning vendors.
